

Marketing and Communications Support

ABOUT EnergyTrack

Are you passionate about sustainability and technology? Do you believe in the power of data to drive meaningful change? If so, EnergyTrack is the place for you. We are a Vienna-based startup, focused on revolutionising the way businesses and organisations understand and manage their energy consumption.

EnergyTrack isn't just a company; we are made up of a mission-driven team committed to energy efficiency. We aim to empower our clients with the tools and insights they need to make informed energy choices, reduce waste, and contribute to a more sustainable future. Our platform offers real-time analytics, cost projections, and tailored recommendations, all designed to promote responsible energy consumption.

We're proud to be supported by the Austrian Wirtschaftsservice (AWS) and are currently running pilot projects with several organisations and businesses. We aim to enter the market mid-2024 and as we prepare to expand our reach and deepen our impact, we're on the search for talented, like-minded individuals to join our dynamic team.

WHO ARE WE LOOKING FOR?

We are looking for a volunteer team member to support in building our network and online presence. You should be fluent in German and English and based in Vienna. Interested or working in the fields of marketing, communications, and/or community building. You should be comfortable to work proactively with an entrepreneurial and flexible mindset, reliable in your commitments and take part in our direct and open communication culture.
